EIKI 3970A

Overhead Projector

3970A

KEY FEATURES: Model 3970A

- New 3,000 ANSI Lumens lamp for brighter, sharper, more detailed presentations.
- Eiki's steel frame offers structural rigidity and durability that ordinary plastic projectors can't match.
- Eiki's patented die-cast aluminum arm and rigid post design eliminates vibration and ensures rock-steady images.
- Fade-proof LCD presentations. Proper cooling is vital to LCD panel efficiency. Eiki's dual cooling fans keep LCD computer projection panels at peak performance.
- Designed with convenience in mind, Eiki Projectors are even equipped with dual AC power outlets for LCD panel and computer hook-up (3970-only).
- It's not what you spend today but what you don't spend tomorrow. Eiki protects your investment by using proven, reliable components and backs-up your purchase with an unequalled 5-year factory warranty.
- Low profile design.
- Tamper proof sealed head protects optics from dust, dirt and fingerprints.
- Hinged platen for easy cleaning and fast lamp replacement.
- Resettable thermal fuse.
- Safety thermostat and safety interlock.
- Built-in storage compartment for transparencies, roll feed and power cord.

Optional Accessories

- EVD Replacement Lamp
- Transparency Roll Feed Attechment
